## PROMOTING LOCALLY

# We Heart Hudson

In 2020, there was a real shift in our strategy to promote local audiences to support local businesses. Member businesses saw the positive impact this made for their business, and we continued with that strategy through the past four years and will continue as we move forward in 2025.

Using this momentum, we continue the Have a Hudson Holiday campaign, encouraging our community to shop small, support local, and purchase Chamber Checks. This has been a huge hit along with the Have a Hudson Holiday branded packaging.

In addition to these efforts, we want to drive even more local traffic to the Chamber Directory by highlighting different industries, activities, and topics through promoted social media posts. We are available to help all members with their listings and add more content.

## MEMBER TESTIMONIAL

“Prior to working at Minuteman Press of Hudson I was skeptical of the benefits a Chamber of Commerce could offer. What I have learned is that the Hudson Chamber of Commerce works tirelessly to promote the interest of our local business community, and to create and preserve the conditions that allow businesses to thrive.

There are great opportunities to network and volunteer at events that have enriched my career and business organization. I appreciate being able to network and learn while giving back to the business community — and it’s fun!”

## PROMOTING REGIONALLY

# Follow Your Heart to Hudson

**The Hudson Area Chamber of Commerce & Tourism Bureau is proud to promote the Hudson area as a tourist destination for a variety of recreational activities. No matter the season, our tourism audiences are encouraged to follow their hearts to Hudson to discover a wide array of offerings.**

We are a valued community resource, responding to countless inquiries about local activities, amenities, businesses, transportation, and attractions. The Chamber distributes dining, lodging, and shopping guides, tourism information, county, city, and regional maps, relocation packets, destination and informational brochures, and special event details that continue to encourage an increase in visitors and tourism to our area each year.

The Hudson Area Chamber of Commerce & Tourism Bureau works with local organizations to promote events such as Hudson Hot Air Affair, Hudson Booster Days, RiverFest, Yellowstone Trail Heritage Days, North Hudson Pepper Fest, Home Town Music Fest, and local sporting events.

The office includes information about Hudson and the surrounding area. Brochures and other informational materials provided by partnering destination marketing organizations are also available for easy trip-planning around the region and the state.

**The Chamber & Tourism Bureau** is a partner to the St. Croix Valley Regional Tourism Alliance, a non-profit collaboration of more than 100 area businesses, chambers and tourism organizations, and non-profit alliances in Wisconsin and Minnesota dedicated to promoting the St. Croix Valley. Each year, the Alliance publishes a comprehensive tourism magazine that highlights regional cities, resources, events, and attractions.

**Our membership in the Wisconsin Hotel & Lodging Association** gives us a greater reach to attract overnight visitors. In addition, we are members of Destinations Wisconsin, which keeps us updated on legislative issues and state directives. Both of these organizations provide us with the opportunity to network statewide for the newest tourism industry trends.
